T. R. VARADACHARY
Managing Director

UNIT TRUST OF INDIA

Bombay the 29th September 1970

No. UT 3362/NP 9-70—“In exercise of the Board of Trustees of the Unit Trust of India of the Powers conferred by section 21 of the Unit Trust of India Act, 1963, the Unit Scheme 1964, as made by the Board at its meeting held on 12th May, 1964 be and is hereby amended as follows :

1. In clause 4, after sub-clause (1) the following sub-clause (1A) shall be inserted, namely,

“(1A) An individual may make an application in his personal capacity or in his capacity of an officer of a Government or of a Court”.

2. (a) The existing title to clause 19 of the Scheme shall be replaced by the following, namely :

“19. Applications by and registration of bodies corporate, minors etc.”

(b) In clause (19) after sub-clause 2(5), following shall be inserted as sub-clause (6), namely :—

“An individual applying for units in his official capacity shall be issued units in his official name”.

3. (a) In sub-clause (1) of clause 20, the two provisos shall be deleted.

(b) In sub-clause (1) of clause 20 in place of the two provisos, a new proviso shall be added as follows, namely :

“Provided further that no transfer shall be made except to the persons in the classes mentioned in clause 4”.

(c) In clause 20 after sub-clause (3), the following shall be inserted as sub-clause (3A) and (3B) namely :

“(3A) When the units are issued in the official name, they shall be deemed to be transferred without any instrument of transfer from each holder of the office to the succeeding holder of the office on and from the date on which the latter takes charge of the office.”

“(3B) When the holder of the office transfers the units so held to a person not being successor in office the transfer shall be made by an instrument of transfer signed by the holder of the office and the name of the office”.

(d) In clause 20, a new sub-clause (5) shall be added, namely :

“(5) Where units have been transferred the Trust shall issue to the transferee, whose name has been entered in the register, a fresh unit certificate in respect of the units transferred to him; where the transferor has transferred only a portion of the units covered by a certificate, the Trust shall issue to the transferor a fresh certificate for the units not transferred by him. Before issuing any such certificate, the Trust may require the transferee, or as the case may be, the transferor to pay a fee of Rupee one per each such certificate, together with a sum sufficient in the opinion of the Trust to cover the stamp duty, if any, or other charges or taxes that may be payable in connection with the issue of such certificate.”

4. “In sub-clause (3) of clause 15 (*ibid*), for the words “fifty paise”, the words “one rupee” shall be substituted.”

- (2) A copy of the Report on the working of the Development Assistance Fund, which forms part of the Report of the year ended June 30, 1970.

Yours faithfully,
R. K. HAZARI
Vice-Chairman

REPORT OF THE BOARD OF DIRECTORS OF THE INDUSTRIAL DEVELOPMENT BANK OF INDIA

For the year July 1, 1969—June 30, 1970

The Economic Setting

During 1969-70, real national income is estimated to have risen by 5 to 5½ per cent as compared to only 1.8 per cent in 1968-69 (April-March). The expansion in monetary resources (currency with the public and aggregate bank deposits) of over 11 per cent was, however, much in excess of the rise in real output. Wholesale prices came under pressure after mid-November, but the increase recorded for the year as a whole in the general price level and in the prices of industrial raw materials were much smaller than last year. Foodgrains production is estimated to have attained an all-time record, approaching the 100 million tonne mark. The outturn of major commercial crops too was higher than in 1968-69, though it was inadequate in relation to the requirements of industries. There was some slackening in the rate of growth in industrial output. The rise in exports (4.0 per cent) in 1969-70 (April-March) was much smaller than in 1968-69 (13.5 per cent), but the performance of non-traditional exports continued to be encouraging. This, coupled with a drastic reduction in imports, mainly of foodgrains and fertilisers, resulted in a further strengthening of the external payments position.

2. The post-recession recovery in industrial output, which started in early 1968, continued in the first nine months of 1969-70 (July-March), though at a somewhat slower rate (5.8 per cent) than in the corresponding period of 1968-69 (7.4 per cent). The progress of recovery was impeded by shortage of industrial raw materials such as cotton, oilseeds, steel and non-ferrous metals, and by labour troubles in certain industries. Imports of essential materials have been stepped up in order to maintain a high rate of growth in industrial output. Industry-wise, while heavy inorganic chemicals, cement, copper smelting, aluminium, metal products, electrical motors and furnaces, electrical cables, electrical machinery, apparatus and appliances, transport equipment, and paper and other products improved their performance significantly, the output of iron and steel, fertilisers, machinery components and accessories, rubber tyres and tubes, petroleum refinery products, motor cycles and bicycles and *vanaspati* recorded slower rates of growth.

3. With the recovery in industrial output after the recent recession and the launching of the Fourth Plan (1969-74), a rapid revival of investment activity in the private corporate sector was expected. This expectation was only partially fulfilled. There was some reluctance on the part of entrepreneurs to take up large or medium-sized projects involving heavy investment outlays, pending Government's modification of their industrial licens-

ing policy in the light of the recommendations of the Industrial Licensing Policy Inquiry Committee. Political uncertainties and the unsatisfactory state of industrial relations in some parts of the country also contributed to this situation. There was a moderate increase, nonetheless, in new capital issues in the closing quarter of the year, representing the implementation of investment decisions taken earlier. A number of equity issues floated in the market was heavily over-subscribed. Trends in loans sanctioned by State Financial Corporations (SFCs) and bank credit to the small-scale industrial sector appear to indicate that the investment activity in this sector was considerably higher than in 1968-69.

4. The emphasis of Government's policy during the year was on stimulating industrial growth, while at the same time pursuing the broader concentration of economic power, enterprises and new entrepreneurs, and developing the backward regions. The Government nationalised 14 major Indian commercial banks in July 1969, with a view to correcting the unevenness in the distribution of bank credit as between different sectors, regions and classes. In the 1970-71 budget, the corporate tax structure was left largely unchanged in order to maintain a stable climate for investment decisions. Also, to encourage savings and investment, the income tax exemption limit was raised to Rs. 3,000 in respect of income arising, among others, from investment in units of the Unit Trust and shares of Indian companies. To provide a further impetus to import substitution, the import duty on certain items of machinery was raised from 27½ to 35 per cent *ad valorem*.* The managing agency system was abolished in April 1970. The Government also enacted the Monopolies and Restrictive Trade Practices Act as a major step for controlling monopolies and preventing excessive concentration of economic power.

*This increase does not, however, apply to machinery, which is required for the initial setting up of projects or for substantial expansion of existing projects.

5. The industrial licensing policy was also reoriented in the light of the recommendations of the Industrial Licensing Policy Inquiry Committee. Broadly, the new policy envisages a 'core' sector (comprising basic, critical and strategic industries) and a 'middle' sector involving investment of Rs. 1 crore to Rs. 5 crores; in addition, all new investment proposals of over Rs. 5 crores are deemed to be in the 'heavy investment' sector. While Larger Industrial Groups (with assets exceeding Rs. 35 crores) and foreign concerns and their subsidiaries or branches would be allowed to participate in and contribute to the develop-

ment of the core and heavy investment sectors, in the middle sector entrepreneurs other than the Larger Industrial Groups would be given special consideration.* The Government have also accepted the concept of the 'joint sector' as recommended by the Committee; major projects taken up by private enterprise groups in the core and heavy investment sectors would fall in this category. Further, in the case of major projects which are set up with substantial assistance from public sector financial institutions, the institutions will, as part of their financing arrangements, have the option to convert loans given and debentures issued in future, either wholly or partly, into equity on specified terms and will also exercise their right to nominate directors on the Boards of the assisted companies. The exemption limit for licensing has been raised to Rs. 1 crore, subject to certain conditions, while the existing policy of reservation of certain products for exclusive development in the small scale sector is to be continued.

*Government have since announced that their prior sanction is required for diversification by foreign companies and industrial units whose assets exceed Rs. 5 crores and that large industrial houses and foreign companies with assets exceeding Rs. 20 crores can set up export oriented units in the middle and the small-scale sectors if they undertake to export 60 per cent and 75 per cent of the production, respectively.

Finance for Industry by Term-Financing Institutions

6. Total financial assistance sanctioned by the Industrial Development Bank of India (IDBI), the Industrial Finance Corporation of India (IFCI), the Industrial Credit and Investment Corporation of India (ICICI), the State Financial Corporations (SFCs) and the State Industrial Development Corporations (SIDCs) in 1969-70 (April-March) amounted to Rs. 149.9 crores, an increase of 13 per cent over Rs. 132.3 crores in 1968-69 (Table 1). Step-up of assistance by the SFCs and SIDCs, especially to the small-scale sector of industry, mainly accounted for the increase. The performance of the SFCs in Andhra Pradesh, Gujarat, Maharashtra, Rajasthan and Uttar Pradesh and of the Gujarat Industrial Investment Corporation (GIIC) was particularly commendable. As regards the composition of assistance, loan assistance continued to predominate, as in the preceding years. Underwriting operations of term-financing institutions showed a modest increase over the 1968-69 level, in keeping with the increase in the new capital issues.

7. Aggregate disbursement of assistance was substantially stepped up by 33 per cent to Rs. 114.0 crores from Rs. 85.8 crores in 1968-69 (Table 2).

8. Table 3 shows the progress of sanctions and disbursements of assistance by term-financing institutions from 1965-66 (the final year of the Third Plan) to 1969-70. Cash disbursements of assistance averaged Rs. 107.6 crores during the years 1966-67 to 1969-70 and compared favourably with the figure of Rs. 105.8 crores in 1965-

66 and the annual average of Rs. 61 crores for the Third Plan as a whole. Sanctions, however, lagged behind the 1965-66 level, though these have increased in the last two years from the low level reached in the trough of the recession in 1967-68.

9. Statistics relating to sources and uses of funds of term-financing institutions for 1969-70 are set out in Annexure I.

Policies and Operations of IDBI

10. Aggregate assistance sanctioned† by IDBI during 1969-70 was Rs. 66.6 crores or of the same magnitude as during 1968-69 (Table 4). However, this assistance was spread over a much larger number of applications,

†Effective sanctions (excluding guarantees).

*The large increase in the number of applications was due

1137 as compared to only 469 in 1968-69. Total disbursements increased from Rs. 48.7 crores to Rs. 52.3 crores. There was a further reduction in IDBI's sanctions for direct loans to large-sized projects, but this was offset by larger direct loans for exports, and increased volume of underwriting activity and rediscount operations. The impetus to investment activity in the small-scale sector of industry and the expansion of financial assistance by SFCs to this sector led to an increased resort by them to IDBI's refinance.

to the sanction accorded to 652 applications for refinance of small road transport operators as against 17 applications in the previous year.

**Relates to guarantees executed.

11. During the year, the Bank made a modest beginning in undertaking the developmental and promotional functions assigned to it under the Statute and in line with the Government's emphasis on developing backward regions and encouraging small and new entrepreneurs. As a first step, the IDBI initiated regional surveys, in collaboration with the Reserve Bank, the IFCI and the ICICI, to identify industrial potential in the backward areas and to assess the infra-structure facilities, supply of raw materials and market prospects for development of industries which could be advantageously located in such regions. The first two surveys covering the State of Assam and the Union Territory of Tripura were completed in June 1970 and action is being initiated on the basis of the survey reports. Surveys relating to Jammu & Kashmir and Bihar are already on hand and those for U.P. and Rajasthan will be undertaken shortly. Similar surveys will be taken up for other backward areas also.

12. Regional offices were opened during the course of the year in Calcutta, Madras and New Delhi. These offices will help in establishing the necessary local contacts. They have been empowered to deal with requests for direct, refinance and rediscount assistance upto certain limits. The Bank has also decided to form Regional Committees to help and guide the regional offices and take decisions for sanction of assistance; a Committee for the regional office at Calcutta has already been constituted. The IDBI has posted technical officers at these offices to provide advisory services on technology management and marketing on a modest scale for the benefit of small entrepreneurs. The Bank has also decided to open small branch offices at the other State capitals to function as information centres and initial contact points for the benefit of the entrepreneurs, State Government officials, etc.

13. The IDBI has also announced its decision to extend assistance on concessional terms for the setting up of projects in the less developed areas. Its assistance will be provided, both under its schemes of direct assis-

tance and refinance, to industrial units in backward districts/areas in various States specified by the Planning Commission for this purpose. Projects in backward districts/areas, which would receive grant/subsidy from the Central Government, would also be eligible for IDBI's concessions. Direct loans to industrial units in backward areas will be extended at a concessional rate of interest, which will be 2 per cent above the Bank Rate with a minimum of 7 per cent, instead of the present normal rate of 8 per cent. Other concessions offered include extension of the initial grace period for repayment of loans from the normal period of 3 years to 5 years, longer repayment period of 15-20 years, and reduction in the commitment charge on the undrawn balance of the loan. In underwriting shares and debentures, the Bank would charge a lower underwriting commission, and may in addition subscribe relatively heavily to the share capital of projects in backward areas. The usual terms pertaining to the promoters' contribution in relation to cost of project and margin for loans may also be relaxed. The IDBI may also be prepared to bear initially the cost of consultancy services to prepare feasibility reports, subject to reimbursement later when the project reaches the profitability stage. Concessions under the scheme would be generally available for projects where the total project cost does not exceed Rs. 1 crore; concessional finance for bigger projects would be on a selective basis.

14. In the sphere of refinance, the IDBI has offered concessions and incentives to SFCs and banks to enable them to provide assistance to entrepreneurs in backward areas on softer terms. Thus, refinance assistance will be provided to the full extent at a concessional rate of 3½ per cent per annum in respect of all eligible loans, in specified backward districts/areas, to units covered under the Credit Guarantee Scheme and also to small and medium-scale units upto Rs. 20 lakhs not covered under the Scheme, provided the financial institution does not charge a rate exceeding 6 per cent per annum to the borrowing unit. Also, while deciding its terms of refinance, the IDBI would consider giving incentives/

concessions, such as dispensing with the levy of commitment charge, longer repayment period with an initial moratorium of more than 2 or 3 years, deferment of payment of instalments of principal and interest in the initial years, etc., which the financing institutions themselves may in turn offer to the small and medium-sized projects in the backward areas.

15. With a view to taking stock of the IDBI's own experience and suggesting improvements in the Bank's appraisal and follow-up techniques and procedures, a Committee was set up in March 1970, which comprised the Vice-Chairman of the IDBI, an industrial consultant, a management expert and experts having experience in term-lending. The Committee, which submitted its Report in June 1970, was of the view that the techniques of appraisal and post-sanction supervision followed by the IDBI compared favourably with those devised by the other term-lending institutions both in India and abroad. However, in the Committee's view, there were some areas where further refinements in the existing arrangements were possible. The Committee has made some useful suggestions to make IDBI's appraisal and follow-up operations more effective and fruitful. Briefly, these relate to a better assessment by the IDBI of the background, experience and managerial competence of the promoter; the desirability of impressing upon the entrepreneurs during appraisal of the project the need to have a nucleus of suitable technical and managerial personnel from the very inception to facilitate the task of project implementation; the adoption of more precise project scheduling techniques; determination as part of the financial appraisal work of the 'internal rate of return' to bring into focus the intrinsic earning capacity of the project; and re-allocation of work amongst the appraisal, operations and legal departments, to avoid duplication of work and ensure expeditious disbursement of the assistance sanctioned. Steps have already been initiated to put into practice the various improvements suggested by the Committee.

16. Reference was made in the previous Report to IDBI's decision to consider on merits applications for direct assistance of moderate size for expansion and diversification from the existing companies in the public sector which have declared at least a maiden dividend and have sufficient internal resources to finance part of the new programmes, provided they do not resort to the Government concerned for any finance and submit to the normal scrutiny and discipline of the IDBI. The IDBI had no occasion during the year to sanction direct assistance to any public sector undertaking, although it received a number of enquiries and a few cases were under its active consideration at the end of the year. As a matter of policy, public financial institutions have now decided to entertain applications for financial assistance from public sector undertakings which are incorporated as companies under the Companies Act on the same basis as applications from private parties.

17. Consequent on the abolition of the managing agency system, effective April 3, 1970, industrial concerns managing agents or secretaries and treasurers are now switching over to alternative forms of management. While the new arrangements regarding management and the remuneration payable to it are subject to Government approval, the industrial concerns which have outstanding financial assistance from term-financing institutions have also to seek their approval to the proposed arrangements. The term-financing institutions have a duty to see that such arrangements are both economical and efficient. Problems of this type are discussed by the IDBI with other all-India term-financing institutions in the monthly Inter-Institutional Meetings

of the senior executives of the IDBI, the IFCI, the ICICI and the LIC. This forum has proved to be particularly useful for an informal exchange of views on such important policy matters as also on the financial, technical and other aspects of specific projects.

18. The IDBI has now entered a new stage of growth, both in terms of its range of operations and geographical coverage. One of its important pre-occupations from now on would be to identify industrial potential in the less developed regions, to articulate viable projects and to help mobilise financial resources and entrepreneurial talent for the expeditious implementation of these projects, in collaboration with banks, other financial institutions, Governmental agencies, managerial and technical consultancy firms, etc. While this new developmental role would assume increasing importance in the coming years, the Bank is also planning a considerable step-up of its activities in 1970-71. Participation in the financing of public sector undertakings is expected to widen the range of IDBI's operations. A more active liaison than hitherto is being maintained with the SFCs to increase their recourse to IDBI's refinancing. Steps are being initiated towards ensuring a much wider impact of the Bank's scheme for rediscounting of machinery bills through closer contacts with machinery manufacturers spread all over the country. Export assistance is also being stepped up in line with the higher target for export of engineering and capital goods. The Bank is simultaneously making efforts to give wide publicity to the various financial and other facilities extended by it.

19. A detailed review of IDBI's operations during 1969-70 in respect of various types of assistance is given below.

Direct Assistance to Industrial Concerns (other than for Exports)

20. Under direct assistance, the IDBI continued to encourage the setting up of technician-oriented projects, especially in the relatively under-developed States where the impact of IDBI's operations had been comparatively small, by making available assistance to such projects on a liberal basis. Such projects to which assistance was sanctioned during the year were located in areas like Vidarbha in Maharashtra, Telangana in Andhra Pradesh and Haryana. The Bank also took the lead in financing three projects in unconventional fields and promoted by new entrepreneurs; these covered the manufacture of automatic brick-making plant, pre-fabricated building materials and some important preventive drugs, the manufacture of which has been taken up in the country for the first time. The IDBI also broke new ground in financing a project in the cotton textile industry set up by a developmental agency on co-operative basis in a relatively under-developed area.

21. Assistance in the form of underwriting (Rs. 2.9 crores) was sanctioned during the year to one major fertiliser project set up in the joint sector. So far, the IDBI has sanctioned assistance for Rs. 49.2 crores to eight fertiliser projects in the private sector, six of which have already gone into commercial production. The IDBI has on hand three more fertiliser projects, two in the private sector and one in the co-operative sector; one of them is likely to be ripe for assistance within the next few months.

22. Details of direct financial assistance sanctioned by the IDBI during 1969-70 are shown in Table 5. A list of industrial projects to which assistance was sanctioned during the year is given in Annexure II(A).

TABLE 5—DETAILS OF DIRECT FINANCIAL ASSISTANCE SANCTIONED DURING 1969-70 AND 1968-69

(In crores of rupees)

	Assistance Sanctioned									
	No. of projects		Loan		Under-writing		Guarantee		Total	
	1969-70	1968-69	1969-70	1968-69	1969-70	1968-69	1969-70	1968-69	1969-70	1968-69

TOTAL ..	22	23	7.0	16.0	6.2	2.4	2.5	0.01	16.3	18.4

*That is, assistance for (1) meeting overruns in the project costs arising from devaluation of the rupee, delays in implementation, rise in cost of machinery and building materials, shortfall in estimated cash resources, etc., (2) relieving strain on cash resources of companies which had earlier utilised working capital funds for acquisition of fixed assets, (3) purchase of balancing equipment to make the projects viable, (4) financial reorganisation, etc.

23. In June 1969, the IDBI had initiated a policy of selling gradually shares which it had taken up in fulfilment of its underwriting commitments, to relieve the relative shortage of good scrips in the share market and help achieve a wider dispersal of shares among the public. These sales are effected through approved brokers in small lots at ruling market rates. Aggregate sales of investments made by the Bank upto the end of June 1970 amounted to Rs. 2.4 crores (face value), including direct sales of preference shares and debentures made to the Unit Trust of India at rates mutually negotiated.

24. In order to satisfy itself that assisted projects are progressing according to plans and the affairs of companies are conducted efficiently and profitably, the IDBI's follow-up system consists of obtaining periodical progress reports during project implementation and operation, visits to project sites for visual verification of the progress made and inspection of the affairs of the companies assisted. During 1969-70, visits and inspections were undertaken in respect of 32 companies. The work relating to inspections has now been delegated to the Regional Offices and it should hereafter be possible to undertake follow-up work on a more regular basis. Where necessary, help is also taken from consultants having the requisite expertise in order to devise suitable means for improving the working results of the concerned assisted companies. Where it is necessary to have a closer watch over the affairs of a company, either because of the magnitude of assistance or special problems faced by the unit, the IDBI also exercises its right to appoint a nominee director on the Boards of such units. Consistent with the new industrial policy of Government, it is proposed to make suitable arrangements for more frequent and effective exercise of this right in consultation with other financial institutions.

Direct Loans and Guarantees for Exports

25. Mention was made in the last Report of the introduction in December 1968 of a scheme for provision, in participation with approved commercial banks, of direct term finance at a low rate of interest and guarantee facilities to industrial concerns, both in the public and private sectors, for exports of engineering goods and services. The scheme provides for participation in export credits both during the pre-shipment and post-shipment stages for periods exceeding six months and in performance and

financial guarantees on behalf of exporters. The IDBI charges interest at 4½ per cent per annum on its portion of the export credit and the participating bank a rate not exceeding 6 per cent on its portion. The Bank's approach to export proposals referred to it has been characterised by a certain amount of flexibility, to take account of the varying needs of the exporters and the particular circumstances of each case.

26. Under the scheme, the IDBI sanctioned during the year 14 post-shipment credits totalling Rs. 11.2 crores for exports of textile machinery, steel rails, automobile chassis, transmission line towers, ACSR and copper conductors and shuttering and scaffolding materials.* The Bank had sanctioned loan and guarantee facilities for Rs. 7.1 crores on 2 applications during 1968-69. The IDBI has also agreed, in principle, to provide assistance in respect of a number of export proposals which are in various stages of negotiation. As on June 30, 1970, 5 applications involving exports of textile machinery and spares, railway wagons, boilers, etc. of the aggregate value of Rs. 12.8 crores were pending consideration.

Assistance to Banks and Other Financial Institutions

27. IDBI's assistance to banks and other financial institutions covers (i) refinancing of industrial loans and export credits given by eligible institutions,† (ii) subscribing to the shares and bonds of eligible term-lending institutions (SFCs, IFCI and ICICI) to strengthen their resources position and (iii) rediscounting of bills/promissory notes arising out of sales of indigenous machinery on deferred payment basis and discounted by banks.

*See Annexure II(B).

†See Appendix I.

Refinancing of Industrial Loans

28. The IDBI had taken several measures during 1967-68 and 1968-69 to widen the scope and reduce the cost of refinance facilities to augment the flow of funds to small and medium-sized sectors of industry. In order to enable banks and SFCs to assist a larger number of small-scale units, the IDBI lowered in May 1970 the minimum amount of loans to be eligible for refinance to small-scale units covered under the Credit Guarantee Scheme from Rs. 20,000 to Rs. 10,000.

29. With a view to reducing the cost of borrowing and facilitating expeditious drawal of refinance, the existing procedure for drawal of refinance was simplified. The scheme for refinance was also modified to enable financing institutions to have more operational flexibility to deal with the securities/security documents obtained from the borrowing industrial units.

30. IDBI's operations under the scheme for refinance of industrial loans during 1969-70 (Table 6) revealed two distinct features: (a) a marked increase in the number of applications sanctioned and (b) a stepping-up of assistance to small-scale units (including small road transport operators).

TABLE 6—REFINANCE OF INDUSTRIAL LOANS

	(Amount in crores of rupees)			
	1969-70 (July-June)		1968-69 (July-June)	
	No.	Amount	No.	Amount
1. Applications received	1231	23.7	426	21.5
2. Applications sanctioned*	992	16.2	336	15.2
3. Applications pending consideration (end of period)	306	14.3	156	12.0
4. Net effective sanctions	966	15.7	321	14.1
5. Refinance disbursed ..		12.5		11.6
6. Repayment of refinance		14.0		14.4
7. Applications rejected/withdrawn/returned ..	89	5.1	28	2.5
8. Amount outstanding (end of period) ..		60.1		61.6
9. Undisbursed sanctions (end of period) ..		14.4		12.7

*Gross sanctions.

NOTE :—Figures in this table relate to refinancing of industrial loans only and do not include export credits.

Total refinance sanctioned against industrial loans increased from Rs. 14.1 crores on 321 applications during 1968-69 to Rs. 15.7 crores on 966 applications in 1969-70. The latter figures are inclusive of sanctions in respect of 652 applications for Rs. 3.1 crores from small road transport operators, the corresponding figures for 1968-69 being 17 applications and Rs. 5 lakhs. Refinance to small-scale industrial units increased from Rs. 2.7 crores on 185 applications in 1968-69 to Rs. 3.7 crores on 243 applications, of which 114 applications for Rs. 61 lakhs were for amounts of less than Rs. 1 lakh each. Refinance disbursed increased from Rs. 11.6 crores to Rs. 12.5 crores.

31. An institution-wise breakdown of refinance of industrial loans brings out the increasing share of SFCs in total refinance; these institutions now account for roughly two-thirds of the total refinance sanctioned by the IDBI (Table 7). The SFCs have been resorting to refinance mainly in respect of their loans to small-scale industries and small road transport operators. It will be observed from Table 8 that 14 SFCs availed of IDBI's refinance for assisting small-scale industries and small road transport operators in 1968-69 and 1969-70 (as against only 4 SFCs in 1967-68). The amount of refinance rose from Rs. 2.7 crores on 202 applications in 1968-69 to Rs. 6.7 crores on 882 applications. There was also a wider dispersal of IDBI's refinance assistance, the number of districts covered increasing from 14 in 1967-68 to 72 in 1968-69 and 95 in 1969-70.

Refinancing of Medium-Term Export Credit

32. Alongside the participation scheme for export finance introduced last year, the IDBI also continued to provide refinance facilities to eligible banks against medium-term export credits granted to exporters of capital and engineering goods.* Under the scheme, full refinance is provided at 4½ per cent and the lending banks are required not to charge more than 6 per cent. Availment of refinance by banks under this scheme slowed down during the year; the exporters are presumably taking advantage of the lower average rate of interest on export credits under the new scheme. Thus, a sum of Rs. 1.3 crores only was sanctioned during 1969-70 on 5 applications as compared to Rs. 7.3 crores on 11 applications during 1968-69 (Table 9). The items of export included transmission line towers, ACSR and copper conductors, textile machinery, diesel engines, pumpsets, flour mill machinery parts and spares.

*See Appendix II.

Subscriptions to Shares and Bonds of Other Financial Institutions

33. Apart from providing refinance and rediscounting facilities to other financial institutions, the IDBI also

helps strengthen their resources position through subscriptions to their share capital and bond issues. Although 9 SFCs floated bonds in the market in 1969-70 for a sum of Rs. 10.4 crores, these issues were oversubscribed and the IDBI had no occasion to subscribe to these issues. Even in 1968-69, IDBI's support was marginal. There were also no public issues of share capital by SFCs during the year. Since inception, the IDBI has subscribed Rs. 5.2 crores (face value) to bond issues and Rs. 1.2 crores to share capital issues of SFCs. IDBI's contribution to the public issue of debentures for Rs. 5 crores floated by the ICICI in December 1969 amounted to Rs. 49.8 lakhs, bringing its total contribution to ICICI's public and special issues of debentures to Rs. 13.9 crores upto the end of June 1970.

Rediscounting Assistance

34. The IDBI's scheme for rediscounting of bills/promissory notes, covering sales of indigenous machinery on deferred payment basis, was introduced in April 1965. The scheme covers all machinery-manufacturing industries, both in the public and private sectors. The period of deferred payment ranges normally upto 5 years and in special cases upto 7 years. The rediscounting rate varies from 4½ per cent to 5½ per cent, depending on the unexpired usance of the bills and the discounting bank is required to charge not more than 1 per cent above these rates. The rediscounting scheme being near-automatic in operation, its popularity has increased both with the manufacturers and purchaser-users of machinery. The scheme has been of special assis-

tance to small and medium-sized industries in modernising and expanding their equipment. The amount of bills rediscounted has progressively risen from Rs. 2.2 crores in 1965-66 to Rs. 15.5 crores in 1968-69 and to Rs. 24.1 crores in 1969-70. Total assistance upto the end of June 1970 amounted to Rs. 61.4 crores, benefiting in all 160 machinery-manufacturers and 793 purchaser-users of machinery.

35. An analysis of the purchaser-users of machinery shows that there continues to be a concentration of assistance in the cotton-textiles and sugar industries, though the reliance of other industries on this facility has increased in the last two years; the list now includes engineering (including machine tools), electrical machinery, plastics, oil-solvent extraction plants, etc. Purchaser-user industries to which assistance was extended for the first time during the year covered agro-industries, film industry and printing.

36. The scheme has been kept continuously under review and notifications have been introduced from time to time to meet the needs of the manufacturers and purchaser-users of machinery. An important change made during the year was the raising from Rs. 50 lakhs to Rs. 1 crore* of the maximum limit upto which a State Electricity Board can as purchaser-user avail of the facility under the scheme; the earlier limit was considered inadequate for acquisition of heavy electrical machinery required for the expansion programmes of

the State Electricity Boards. The scope of the scheme was also further widened during the year to cover Agro-Industries Corporations set up in the different States, farming enterprises, Custom-Agriculture Services and Agricultural Machinery Hire Centres in respect of their purchases of agricultural machinery/equipment from manufacturers as distributors/dealers.

37. Although the scheme has made substantial progress, there is still considerable scope for its expansion to cover wider geographical areas and a larger number of industries than hitherto. An official of the IDBI will shortly be touring those States where the scheme has not made much headway, to ascertain the practical difficulties experienced by manufacturers of machinery in availing themselves of this facility.

Industry-wise Break-down of Overall Assistance

38. An industry-wise break-down of IDBI's total assistance to industrial projects during the period July 1964 to June 1969 and during 1969-70 is shown in Table 10 (also see Annexure III). A substantial portion of the assistance sanctioned during 1969-70 was mainly in respect of machinery manufacturers, followed by textiles, fertilisers, chemicals and road transport. Assistance was also extended, for the first time, to industries manufacturing water well drilling rigs and ancillary tools, pre-fabricated building materials, transformer oil, tools like gauges, verniers and ground thread taps, mechanised brick/tile making plants, preventive drugs like gamma globulin and albumen, and dehydration of vegetables.

TABLE 10 —INDUSTRY-WISE CLASSIFICATION OF ASSISTANCE* SANCTIONED AND DISBURSED BY THE IDBI DURING THE PERIOD JULY 1964 TO JUNE 1969 AND 1969-70

(In crores of rupees)

Industry	July 1964 — June 1969				1969-70

Note : (i) Classification based on location of projects assisted in each State. In a few cases, assistance was sanctioned for expansion of existing units/setup of new units in more than one State; such assistance has been included in the State where the assistance has gone predominantly. In the case of rediscounts, the classification is based on the location of the machinery manufacturer/seller.

(ii) Figures are exclusive of subscriptions to shares and bonds of SFCs and debentures of the ICICI.

*Inclusive of disbursements in respect of refinance sanctioned by the Refinance Corporation for Industry prior to its emergence with the IDBI in September 1964.

State-wise Distribution of Assistance

39. The State-wise distribution of IDBI's total assistance upto the end of June 1970 is shown in Table 11. So far, the bulk of the Bank's assistance has gone to a small number of relatively developed States. This situation arose as requests for assistance happened to be numerous from such States and very few from the others because of the inadequacy of infrastructure facilities like power and transport and inadequacy of local entrepreneurs, which are essential ingredients of industrial development. Even so, the IDBI has been giving special attention to such projects as are set up in the under-developed areas by extending them assistance on a liberal basis. Thus, sizeable direct assistance was sanctioned during 1969-70 to projects located in relatively under-developed areas in the States of Haryana, Madhya Pradesh and Uttar Pradesh and the Union Territory of Goa where the impact of IDBI's operations in the past had been small. It is expected that geographical diversification of its activities, together with the promotional role which the Bank has assumed in the development of the backward regions, would contribute to a wider distribution of IDBI's assistance in future years.

*Development Assistance Fund**

40. During 1969-70, there was no fresh sanction of assistance out of the DAF. The IDBI has so far sanctioned, out of this Fund, financial assistance to three projects for Rs. 33.2 crores, comprising loans of Rs. 25.4 crores and underwriting assistance of Rs. 2.7 crores, besides deferred payment guarantee of Rs. 5.1 crores.

41. Disbursals from the Fund during 1969-70 amounted to Rs. 35 lakhs, being the additional loan assistance sanctioned in 1968-69 to Gayday Iron and Steel Company Ltd. Total disbursals from the DAF since inception upto the end of June 1970 amounted to Rs. 27.9 crores. There was no fresh borrowing of funds from Government during the year. The IDBI paid a sum of Rs. 7.950 to the Government, being the first instalment of repayment of the loan for Rs. 1 lakh taken in 1964-65. As on June 30, 1970, outstanding borrowings from Government in the Fund stood at Rs. 27.3 crores. The Fund showed a profit of Rs. 78 lakhs during 1969-70 (Rs. 50 lakhs in 1968-69), after transfer of Rs. 4.9 lakhs to the General Fund towards expenses of the administration of the DAF.

*This Fund, which is maintained separately from the IDBI's General Fund, was established in March 1965, in terms of Section 14 of IDBI Act, to assist with the prior approval of the Central Government specially deserving projects to which banks and other financial institutions are not likely to provide the requisite finance in the ordinary course of business.

*Accounts and Other Matters**Income and Expenditure*

42. This Section covers the accounts of the General Fund of the IDBI. During 1969-70, the total income in the Fund increased from Rs. 10.4 crores during 1968-69 to Rs. 11.8 crores and total expenditure from Rs. 6.8 crores to Rs. 7.9 crores, the profit rising from Rs. 3.6 crores to Rs. 3.9 crores. Out of the profits, a sum of Rs. 3.1 crores (Rs. 2.8 crores in 1968-69) was transferred to the Reserve Fund, raising the amount in the Fund to Rs. 12.0† crores as on June 30, 1970; the balance of Rs. 80 lakhs (Rs. 75 lakhs in 1968-69) was transferred to the Reserve Bank of India, thus raising the dividend rate from 3½ per cent to 4 per cent.

†Exclusive of the investment reserve of about Rs. 42 lakhs representing profits on sale of investments.

Resources

43. IDBI's principal sources of funds* during 1969-70 and 1968-69 were as under :

	1969-70	(Rs. crores) 1968-69
(i) Increase in paid-up capital and reserves	3.5	2.8
(ii) Borrowings :		
(a) Government of India ..	—	25.0
(b) Reserve Bank of India ..	20.0	0.2
(iii) Sale of investments	1.7	—
(iv) Repayment of assistance :		
(a) Refinance of industrial loans	14.0	14.4
(b) Refinance of export credits	1.4	0.3
(c) Rediscount	8.0	5.5
(d) Direct loans	3.6	1.4
TOTAL	52.2	49.6

*Figures are exclusive of the DAF.

(i) Share Capital

44. The paid-up capital of the Bank remained unchanged at Rs. 20 crores during 1969-70.

(ii) Borrowings from the Government of India

45. No provision was made for budgetary allocation in the 1969-70 budget and consequently there was no borrowing from Government during the year, either in the General Fund or in the Development Assistance Fund. The IDBI paid a sum of Rs. 0.7 crore to the Government, this being the first instalment of repayment of the loan for Rs. 8.99 crores availed of by the Bank in 1964-65. As on June 30, 1970, outstanding borrowings from the Government stood at Rs. 149.4 crores (exclusive of Rs. 27.3 crores for credit to the DAF.)

(iii) Borrowings from the Reserve Bank of India

46. The IDBI borrowed a sum of Rs. 20 crores from the Reserve Bank's National Industrial Credit (Long Term Operations) Fund for purposes of general business (i.e. other than for subscribing to bonds and shares of SFCs). There was no occasion for the IDBI to borrow from the Reserve Bank during the year for subscribing either to the bond issues of SFCs, which were successfully marketed and did not call for IDBI support or to their share capital in the absence or any public share issue by SFCs. Aggregate borrowings from this Fund amounted to Rs. 26.3 crores at the end of June 1970, the unutilised balance in the Fund as on that date being Rs. 68.7 crores.

Auditors

47. The accounts of the Bank were audited by Messrs. S. B. Billimoria and Co. of Bombay, who were appointed by the Reserve Bank of India, in terms of Section 23(1) of the IDBI Act.

Board of Directors

48. The Board of Directors of the IDBI is identical with the Central Board of the Reserve Bank. Shri L. K. Jha, Chairman of the Bank relinquished office on May 4, 1970 consequent upon his appointment as India's Ambassador to the U.S.A., and Shri B. N. Adarkar, a Deputy Governor of the Reserve Bank and Vice-Chairman of the IDBI, was appointed as Governor of the Reserve Bank and Chairman of the IDBI on that date and held charge of these posts until his retirement on June 15, 1970. Shri S. Jagannathan, who was appointed as Governor of the Reserve Bank on June 16, 1970 for a period of five years, is Chairman of the IDBI since that date. The Board wishes to place on record its high appreciation of the valuable services ren-

To the Bank by Sarvashri L. K. Jha and B. N. Adarkar.

49. Consequent upon his appointment as Secretary to the Government of India in the Department of Banking in the Ministry of Finance, Shri A. Baksi, Vice-Chairman of the Bank relinquished office on September 8, 1969 and Shri B. N. Adarkar was appointed as Vice-Chairman as from that date. The Board wishes to place on record its high sense of appreciation of the valuable services rendered by Shri Baksi. On October 25, 1969, Shri Baksi was nominated by the Government of India as a Director of the Reserve Bank in terms of Section 8(1)(d) of the Reserve Bank of India Act in place of Dr. I. G. Patel.

50. Dr. R. K. Hazari who was earlier appointed as a Deputy Governor of the Reserve Bank for a period of five years from November 27, 1969, was nominated as Vice-Chairman on May 4, 1970 consequent upon the appointment of Shri Adarkar as Chairman of the IDBI.

51. Shri J. J. Anjaria retired on the expiry of his term of office as Deputy Governor of the Reserve Bank on February 28, 1970 and passed away suddenly on April 10, 1970. Two Directors, viz., Shri N. A. Palkhivala and Prof. G. N. Vakil retired from the Central Board of Reserve Bank on the expiry of their terms of office on

January 14, and 23, 1970, respectively, and in their vacancies the Central Government nominated Dr P. B. Gajendragadkar and Dr. A. M. Khurso on the Central Board of the Reserve Bank and consequently on the Board of Directors of the IDBI from February 28, 1970. The Board wishes to place on record its sense of appreciation of the services rendered by (late) Shri J. J. Anjaria, Shri N. A. Palkhivala and Prof. C. N. Vakil.

Board and Executive Committee

52. The Board of Directors held seven meetings during the year, two in Bombay and one each in Madras, Jaipur, Calcutta, Patna and New Delhi. The Executive Committee (comprising the Chairman, the Vice-Chairman and eight other Directors) held twelve meetings, of which one each was held in Madras, Jaipur, Calcutta, Patna and New Delhi and the rest in Bombay.

Internal Organization

53. Until recently, the IDBI had been functioning through its principal and only office in Bombay. In order to facilitate decentralisation of work and ensure closer attention to the financial and allied problems of industry, the IDBI opened during the year regional offices at Calcutta, Madras and New Delhi. The dates of opening of these offices, together with their territorial coverage, are shown below :

Regional Office	Date of Opening	Territorial Coverage
Calcutta	December 8, 1969	States of Assam, Bihar, Nagaland, Orissa and West Bengal. Union Territories of Manipur, Tripura and the Andaman and Nicobar Islands.
Madras	February 16, 1970	States of Andhra Pradesh, Kerala, Mysore and Tamil Nadu. Union Territories of Pondicherry and the Laccadive, Minicoy and Amin-divi Islands.
New Delhi	March 9, 1970	States of Haryana, Jammu and Kashmir, Punjab, Rajasthan and Uttar Pradesh. Union Territories of Chandigarh, Delhi and Himachal Pradesh.

54. The broad division of work between the Central Office on one side and the Regional Offices on the other will be that large projects of all-India significance, large export schemes and all-India problems of industrial development will remain under the care of the Central Office while other projects and most regional problems will be the main concern of the Regional Offices. Even in respect of large projects, the advice and comments of the Regional Offices will be taken on all appropriate occasions. The Regional Offices, which are under the charge of Managers, have powers to sanction direct assistance and refinance upto Rs. 20 lakhs and rediscount assistance upto Rs. 5 lakhs and have been manned with an adequate complement of staff, both technical and other. Besides, a separate Cell has been constituted at the Head Office in Bombay to attend to requests for refinance and rediscounting assistance upto the above-mentioned limits, emanating from the Western Region.* The IDBI has decided to form Regional Committees to help and guide the regional offices and to take decisions for sanction of assistance. A Regional Committee for the Calcutta Office has already been constituted.

*Comprising the States of Gujarat, Madhya Pradesh and Maharashtra and the Union Territories of Goa, Daman and Diu, and Dadra and Nagar Haveli.

55. Shri P. K. Dasgupta, who was working as General Manager of the IDBI from September 1967, proceeded on leave preparatory to retirement on April 4, 1970. The Board places on record its appreciation of the services rendered to the Bank by Shri Dasgupta. Shri S. L. N. Simha, who had earlier been General Manager between January 10, 1966 and September 16, 1967 resumed charge on that date following the expiry of his period of deputation as Officer on Special duty in the Central Office of the Reserve Bank.

L289GI/70—3

Ad-hoc Advisory Committees

56. As in the previous years, the IDBI continued to avail itself of the services of technical advisers and consultants to advise the Bank on specific projects. For this purpose, *Ad-hoc* Committees of Advisers were constituted from time to time. In all, eight meetings of such Committees were held during the year. The Board of Directors is grateful to the advisers and experts for the valuable assistance and advice rendered by them.

Supervision over Operations of the IFCI

57. The IDBI, which holds 50 per cent of the share capital of the IFCI, continued to exercise supervision over the operations of the IFCI, in terms of the Industrial Finance Corporation Act. Messrs. Walker, Chandiook & Co., New Delhi, were appointed as Auditors of the Corporation by the IDBI, in terms of Section 34(1) of the IFC Act. Shri S. L. N. Simha, General Manager, IDBI was nominated as director on the IFCI Board under Section 10(1) (aa) of the IFC Act, in place of Shri P. K. Dasgupta, beginning from April 27, 1970. Sarvashri Charat Ram, G. Ramanujam and R. N. Bhargava continued to serve as IDBI's nominees on the IFCI's Board of Directors throughout 1969-70.

Concluding Observations

58. In the past six years of its existence, the IDBI had concentrated its attention on provision of finance to the strategic sectors of industry such as cement, fertilisers and basic chemicals, besides co-ordinating the activities of other term-financing institution. These tasks were partly traditional in nature and partly flowed from the apex character of the Bank. The tasks that are now devolved on it and for which it will have to devote special attention in future are more complicated and challenging.

With the progress of the 'green' revolution, the recovery in industrial output after the recession and the launching of the Fourth Plan, the economy is no poised for further substantial growth. At the same time, problems of balanced industrial development of the various regions, of developing a new class of small and medium entrepreneurs, of encouraging the export sector and of devising new instruments and procedures of financing have assumed a new sense of urgency. The nationalisation of major commercial banks in the country, which has enlarged the coverage of the public sector in terms both of organisational and financial resources, constitutes a major step towards these ends. The IDBI, as the apex public sector term-financing institution, has also to gear its policies and operations to these objectives. The Bank has already taken a number of steps as a result of which it is now relatively better fitted to meet the new challenge. Instead

of passively waiting for new applications to come for financial assistance, it is now taking steps to identify investment proposals in the less developed regions. It has opened regional offices and initiated jointly with the Reserve Bank, the IFCI and the ICICI, surveys of the industrial potential of the backward regions to enable it to participate actively in the industrial development of these areas. The Bank has modified its schemes of assistance, both direct and indirect, to extend finance to projects located in specified backward areas on softer terms. It has also equipped itself with a larger complement of technical staff to give technical guidance to the emerging new class of entrepreneurs. Industrial development of the less developed regions is an arduous task and calls for vigorous and concerted action on the part of several financial and developmental agencies operating within and outside the regions.

ANNEXURE I

SOURCES AND USES OF FUNDS OF TERM-FINANCING INSTITUTIONS DURING

15. Punjab Financial Corporation
16. Rajasthan Financial Corporation
17. Uttar Pradesh Financial Corporation
18. West Bengal Financial Corporation

*These banks are eligible to obtain refinance against medium-term export credit and participate with the IDBI under the participation export finance scheme

OTHER INSTITUTIONS

1. Industrial Finance Corporation of India
2. Industrial Credit and Investment Corporation of India Ltd.

APPENDIX II

LIST OF EXPORTABLE ITEMS ELIGIBLE FOR
REFINANCE FACILITIES AS ON JUNE 30, 1970

A. CAPITAL GOODS

1. Sugar mill machinery (including Khandsari machinery)
2. Textile mill machinery
3. Jute mill machinery
4. Oil mill machinery
5. Shoe making machinery
6. Tea machinery
7. Flour mill, rice, dal machinery
8. Printing machinery
9. Paper making machinery
10. Wood working machinery
11. Fertiliser plant and equipment
12. Water treatment plant

B. PRODUCER GOODS

1. Electric motors
2. Transformers (power & distribution)
3. Generators
4. Switch gears
5. Industrial switch boards and Control panels
6. Circuit breakers
7. Air break switches
8. Telephones
9. Telephone switch boards and telegraphs
10. Gas plants
11. Borehole turbine pumps
12. Diesel engines

13. Bus, bus body kits, motor vehicles and chassis
14. Transmission line towers
15. Sub-station structures and railway electrification structures
16. Structural fabrications such as bridges, factory sheds, buildings and shuttering and scaffolding materials.
17. Lathes
18. Steel billets
19. Steel rails
20. Railway track fittings
21. Railway signalling equipment
22. Centrifugal pumps
23. Vehicular trailers and auto parts
24. Tools (hand and machine)
25. Agricultural implements
26. Gas cylinders
27. Steel tanks
28. Weighing scales
29. Oil expellers
30. Tubular poles and accessories
31. Tipping wagons and railway wagons
32. Tar boilers
33. Cranes

C. CONSUMER GOODS

1. Sewing machines and parts
2. Cycles—parts and accessories
3. Electric refrigerators, air-conditioners and water coolers.
4. Electric fans
5. ACSR conductors and copper conductors
6. X-ray electro-medical equipment and hospital equipment
7. Fire fighting equipment

- D. *Such Other Goods* in respect of which the exemption under Rule 6 of the Foreign Exchange Regulation Rules, 1952 has been granted for an initial period exceeding 6 months.

REPORT OF THE AUDITORS.

We have audited the attached Balance Sheet of the Industrial Development Bank of India as at 30th June 1970 and also the Profit and Loss Account of the Bank for the year ended on that date and report as follows :—

- (1) We have not verified Bills of Exchange rediscounted and lying with the regional offices at Madras and Calcutta of the total value of Rs. 88,43,016.54, but have accepted the certificates of the regional managers;
- (2) Subject to the above :—
 - (a) We have obtained all the information and explanations which we have required for the purposes of our audit and the same have been satisfactory;
 - (b) In our opinion and to the best of our information and according to the explanations given to us the said Balance Sheet is a full and fair Balance Sheet and is properly drawn up containing all the necessary particulars so as to exhibit a true and fair view of the state of affairs of the Bank as at 30th June 1970 and is also properly drawn up in accordance with the requirements of Regulation 14 of the Industrial Development Bank of India Regulations, 1964.

Bombay, 17th August 1970.
